16.5. - City Walls Tour

The monumental walls that encircle Dubrovnik, punctuated by towers and overlooking the sea, are undoubtedly the city's most unique and famous feature. There is no place like it on earth. With the glittering Adriatic on one side and the red clay roofs of the old town on the other, a walk on top of the walls is sure to be a highlight of your visit to Dubrovnik.

In 90 minutes discover the famous City Walls of Dubrovnik, a beautiful reminder of distant medieval times. Dubrovnik is among a small few well-preserved medieval cities with 2-kilometer walls surrounding the town allowing for many breathtaking views.

Admire the terracotta roofs and narrow streets from above. This view will explain why the city was successfully defended for centuries and since 1979 UNESCO protected.

The town survived many wars, including the recent Homeland War from 1991-1995, but Dubrovnik was renewed in a manner that the damage is not visible. Discover why the city of Dubrovnik has inspired artists, writers and photographers as you explore the ancient Mediterranean city and wander along the elegant walls.
